IN RE: Application of Movers and Groovers, Incorporated for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2007-226-T

Dear Mr. Terreni:

On August 22, 2008, the Public Service Commission ("Commission") issued Order No. 2008-590 revoking Movers and Groovers' Certificate of Public Convenience and Necessity for failure to file an annual report. On October 29, 2008, Movers and Groovers filed a request to reinstate the certificate.

Upon receipt of Movers and Groovers' request for reinstatement, and following customary procedure, the Office of Regulatory Staff ("ORS") filed a request with the Commission for postponement of consideration of the Company's request to allow time to conduct a compliance audit.

ORS Inspector Jerry Hallman performed an initial inspection on November 18, 2008 and a follow-up inspection on December 2, 2008. ORS concluded that Movers and Groovers' records were in order. Additionally, ORS has received Movers and Groovers' annual report, and a copy was also sent to the Commission.

Based on the above facts, ORS does not oppose the Commission's consideration of this request on an expedited basis in the context of the Commission's weekly agenda session.

Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let me know.

Sincerely,

Shealy Boland Reibold
